

Known for its refined elegance and absolutely original character, the Grand Hôtel La Cloche has been a reference in Burgundy since 1424. The Haussmannian building dates back to 1884. Registered as a Historic Monument, it dominates the historic centre of this city of Dukes.

In the heart of the city of 100 church bell towers and just a few steps from the main shopping streets, Dijon's historic hotel, the Grand Hôtel La Cloche, invites you to discover its 88 rooms, including 5 suites and apartments where you can admire reproductions of works of art from the Dijon Museum of Fine Arts. The Grand Hôtel La Cloche features a landscaped garden, the bistro restaurant Les Jardins by la Cloche, the chic and contemporary Bar by La Cloche, the Spa by La Cloche under the old stone arches and a boutique 20 by La Cloche where you can find all sorts of wines and spirits.
